

[Shopping cart icon] Shopping cart doesn't show the quantity of added products.

Description

Preconditions: product from the web page must be added to the Shopping cart.

Steps to Reproduce:

1. Go to Homepage
2. Select any product from the web page
3. Click- ADD to Shopping cart (my cart)
4. Pay attention to the Shopping cart

The Verdict- Actual Result : when a product is added to the shopping cart, the shopping cart on the top bar doesn't show ANY quantity. The Shopping cart needs to be open to see if a product was added and how many PCs.

Environment : Window 11, Laptop, Google Chrome,

Severity: Minor

Priority: Medium

Expected result:

When a product is added to the Shopping cart the Shopping cart icon on the top bar shows added product's quantity.
